## TABLE OF CONTENTS

|  |          |
|--|----------|
| <b>About This Report</b>   | <b>9</b> |
| Key Questions Addressed in This Report   | 10       |
| Research Methodology   | 10       |
| Demographics of Respondents  | 12       |
| Talent Management Suite Vendors  | 15       |
| Top 10 Findings about the Market for Talent Management Suites  | 17       |
| 1. The Market for the Integrated Talent Management Suite Is Growing at a Rapid Pace – And Vendors Are Scrambling to Build, Buy and Partner to Gain Market Share. | 17       |
| 2. One-Stop Shopping with a Vendor Is Not the Same as Buying an Integrated Talent Management Suite.  | 17       |
| 3. Performance Management Is the Backbone of the Talent Management Suite.  | 18       |
| 4. Organizations Are Not Implementing Comprehensive Suites (Yet), but They Want an Integrated Talent Management System.  | 18       |
| 5. The Primary Business Driver for Implementing Talent Management Systems Is HR Process Automation and Self-Service.   | 19       |
| 6. Organizations with Multiple, Integrated Modules from the Same Vendor Do a Better Job Supporting Key Talent Management Initiatives.                            | 19       |
| 7. The Combination of Profile Management and User-Generated Content Has the Potential to Revolutionize the Approach to Competency Management.                    | 20       |
| 8. Talent Management Is Not Easy, Contrary to Vendors' Marketing Messages.   | 20       |
| 9. Next-Generation Talent Management Systems Will Be Designed for the Employee and Manager, Not Solely for the HR Specialist.                                    | 21       |
| 10. SaaS Has Become a Mainstream Delivery Model for Organizations of All Sizes.  | 21       |
| High-Impact Talent Management  | 22       |

|  |            |
|--|------------|
| Where Is This Market Going? Top Five Predictions   | 131        |
| 1. Organizations Will Standardize on a Suite.  | 131        |
| 2. There Will Be Significant Vendor Consolidation in the Next Two to Three Years, Frustrating Many Buyers. | 131        |
| 3. Tremendous Growth of Midmarket Solutions  | 133        |
| 4. SaaS Will Continue to Dominate  | 133        |
| 5. Service-Oriented Architecture   | 134        |
| <b>Selecting Talent Management Software</b>  | <b>135</b> |
| Start with the Business Issues   | 135        |
| Develop a Talent Management Strategy   | 136        |
| Develop a Three to Five Year Roadmap   | 138        |
| Conduct Process Design Sessions  | 138        |
| Determine High-Level Requirements and “Big Rocks”  | 139        |
| Identify Best Fit Vendor Solution Providers  | 140        |
| Develop a Business Case for Funding  | 140        |
| Develop Detailed Requirements Documentation  | 141        |
| Develop a Request for Proposal Document  | 144        |
| Develop an Evaluation Scorecard  | 144        |
| Evaluate Vendor Solution Providers   | 145        |
| Prepare a Summary of Recommended Vendor(s)   | 146        |
